SAFETY IS MOST IMPORTANT AT THE JUNEAU GUN CLUB

The following range rules apply to everyone - no exceptions. If you are new to the club and unfamiliar with range rules and etiquette, any member will be quick to assist and answer questions, so don't hesitate to ask for help. Any violation of the rules may be cause for loss of club membership and privileges.

1. Always point your gun in a safe direction
2. Never point your gun toward the trap house when the red warning flag or orange cone is displayed (this indicates someone is in the trap house loading targets) DON'T BE A "GUN WAVER"
3. EAR AND EYE PROTECTION IS REQUIRED on the shooting line and anywhere in the trap area
4. Actions open except on the firing line or in the rack. "OPEN OR OUT!"
5. Keep action open and finger off the trigger until ready to shoot
6. Load only one shell for *singles*, two for *doubles* and *continental*
7. Gun must be empty when changing stations
8. When moving from station 5 to station 1, walk "behind" other shooters
9. NO SHOOTING WILL BE ALLOWED AFTER THE CONSUMPTION OF ANY ALCOHOL (Alcohol is not permitted on the premises)

I have read, understand and agree to abide by the rules listed above. I further agree to ensure that any family members or my guests using the club facilities will also abide by these rules.
