Makeups

Those unable to attend the first week have until December 15th to make up their missed score. This is the **ONLY WEEK** make ups will be allowed. After Week 2, shooters must adhere to the shoot-ahead and bank guidelines.

Shoot-Aheads and Bank Scores

Shoot-Ahead Definition:

A shooter that cannot attend on Thursday may shoot the night before (Wednesday night). **A shoot-ahead on Wednesday will only count for the next night.** If the shooter returns on Thursday, the Thursday night score is **disregarded and thrown out including a bank score.** It is not scored or banked.

Note:

Shoot-Ahead Structure:

* 16 and 20yd scores for a shoot-ahead must be shot on the same night.

* You must notify the manager before stepping on the line that you are shooting for a league shoot-ahead.

* No league discount for shoot-aheads; Shoot-aheads are charged at the standard JGC round fee (\$5 or a card per round).

Bank Score Definition:

A shooter planning to miss a future week(s) of league may “deposit” up to 2 scores into an account. If a shooter is unable to attend the current week, a “banked score” will be automatically withdrawn from their account.

Bank Score Structure:

- * 16 and 20yd scores for a shoot-ahead must be shot on the same night.
- * A “bank score” is automatically withdrawn if the shooter does not record a score in the current week.
- * Bank scores are withdrawn in the order they are shot.
- * A shooter may have a maximum of 2 bank scores at any given time.

Important Rule: Bank scores are typically shot on Thursday night only. Banking is allowed on Wednesday night only if you are also shooting ahead.

Squad Information

Squadding:

- * Each league night, shooters will sign up on a squad on a first-come, first-serve basis.
- * Squads will shoot in the order a full squad is filled.
- * Team members may elect (and are strongly encouraged) to shoot together on a squad.

- * Shooters in position #1 are deemed squad leaders. They are responsible for ensuring the squad and the puller/scorekeeper are ready before the start of the round.

Other Information

Pets are not permitted on the trap fields or in the club house on Wednesday and Thursday nights during the Winter League

Qualification for individual and team awards: Participants must shoot a minimum of 8 of the 10 weeks. Issues arising not addressed in these guidelines will be decided by the league committee.
